APM Terminals

FY 2024 Company Fact Sheet

Lifting standards

The ambition of APM Terminals is to be the World's Best Terminal Company. With a unique position as the leading container terminal concession partner for nations, serving shipping line and landside customers around the world and caring for the communities and environment around us.

We are constantly lifting the standard of our customers' experience at each of our 60 key locations around the globe.

We serve shipping line and landside customers, seamlessly integrating land and sea to ensure supply chains are safe and undisrupted. With the safety of our people at the heart of the way we do business, we are continuously developing new products and solutions that add value for our customers.

To maximise our positive impact, we will continue to invest in and develop new facilities, both individually and with our partners, to further strengthen our footprint in relevant markets. We are committed to Lifting Global Trade in a responsible way.
