2	Yard Storage (per TEU per day)		SEK

Yard Storage is calculated per calendar day.

Storage calculation Export & Transhipment units
Export & Transhipment units have the same Port Storage calculation. Calculation of Port Storage time starts on the day export container is gated into the terminal or transhipment discharged. Calculation ends the day before container is loaded on a vessel.

Storage calculation Import units
Calculation of Import Port Storage time starts the day after container discharged and ends when container departs from the terminal via gate or rail.

Storage Calculation Domestic units
Calculation of Port Storage time starts on the day container is gated into the terminal and ends the day container is departing.

Temperature controlled units, units containing dangerous goods, and OOG units have the same free Port Storage terms as described above.

Important: Additional yard surcharges apply to this type of units as per Section 3, Yard Surcharges.

Detailed storage calculations can be found on https://www.apmterminals.com/en/gothenburg/services/terminal-tariff.

7 Other Services

Services at www.apmterminals.com/en/gothenburg
On request to the terminal sales team, sales.got@apmterminals.com if not available at the website

8 Terms Of Business

Terms of business apply to the exclusion of any other terms and conditions to any provision of Terminal Services or any access to or use of the Terminal by a Terminal User. unless they are supplemented by or in conflict with mandatory applicable law, port regulations (incl. terminal tariff) or a written contract or rate agreement between APM Terminals and a Terminal User By requesting the delivery of services, berthing a Vessel or otherwise entering the Terminal, the Terminal User accepts the application of these Terms and enters into an agreement with APM Terminals not only for itself but also as agent for any principal involved, including owners of any Vessel (if chartered), Vehicle, Goods and Containers. You find terms of business on https://www.apmterminals.com/en/gothenburg

9 Payment Conditions

Conditions of Payment Payment terms are 20 days from issue date of invoice, in accordance with Terms of Business.
Interest on overdue payments will be charged in accordance with the Swedish Interest Act.
Please quote invoice number when making payment.

10 Determination of Weights and Measurements

Charges are calculated on the basis of weights and measurements received in accompanying documentation or an average in general use in commerce. For any cargoes weighed and/or measured by the terminal, charges are calculated on the basis of the figures obtained. APM Terminals Gothenburg withholds the right to charge surcharges according to this tariff in case the figures obtained is obviously wrongly given.

11 Invoice dispute process

All disputes against invoices should be made within 8 days of receipt of the invoice to receivables.got@apmterminals.com. Please check the website for the updated instructions.
An invoice re-handling request is not considered a dispute.

12 VAT

VAT is not included in the tariff rates.

13 Changes to the Terminal Tariff

We reserve the right to make changes to the Terminal Tariff with 30 days of notice.

14 Invoice Query Contacts

All invoice questions should be sent to receivables.got@apmterminals.com as the first contact point.
